PREFACE.

N submitting the Sixty-Second Edition of the Edinburgh and Leith Post Office Directory, the Publishers have gratefully to acknowledge the large public patronage they have hitherto received. This year they have endeavoured, by the introduction of additional matter and the adoption of several new features, to render the volume still more worthy of public support. In addition to the usual County Directory, a General County Directory is now introduced, which will be found to facilitate reference in this department.

The Postal Directory now contains more complete information as to the despatch and arrival of foreign mails, and rates of postage.

In the List of Streets, pp. 25 to 31, the number of the Registration District in which each place is situated has been given; and in the Street Directory the number of the Municipal Ward has also been affixed.

The names of advertisers are printed in Capitals, with a reference to the page where the advertisement will be found.

The Map of the County accompanying this year's Directory is given by the kind permission of Messrs A. & C. Black; and the New Plan of Edinburgh and suburbs, prepared expressly

for this Work by Mr John Bartholomew, F.R.G.S., is revised down to date. The general appearance of the Volume will also be found to be considerably improved, it having been printed from entirely new type by Messrs Murray & Gibb, printers to Her Majesty's Stationery Office.

Further improvements are under consideration; meantime the Publishers return thanks to the gentlemen who have kindly supplied valuable suggestions and data for the present edition; and in the hope that what has been done will meet with public approval, they trust that the Volume will continue to receive the liberal support and patronage it has always enjoyed.

25th May 1867.

Explanation.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the Year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year; and for the other months, use the Letters belong to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

INLAND LETTERS.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows :-

If Paid in Advance.

Letter	· weighing	not more than half an ounce,	1d.
17	17	more than half an ounce, but	0.1

		more than two and a half	ou.
27	**	ounces, but not exceeding	
		three,	6d.

Unpaid Letters.

As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example, weighing more than half an ounce, and not expending one ounce, if bearing a penny stamp only must, on delivery, be charged twopence. The unpaid additional postage on re-directed letters, between it not doubled being the sense of fixed by the post within the United Kingdom free from postage under the following regulations, viz.:however, is not doubled, being the same as if such postage were prepaid.

COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage.

ADDRESSES TO THE QUEEN, AND PETITIONS TO PARLIAMENT.

Petitions and addresses to her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House 1d. of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid 4d. letter.

NEWSPAPERS AND OTHER PERIODICAL PUBLICATIONS BEARING THE NEWS-PAPER STAMP.

10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of 1d., which must be prepaid by affixing a postage stamp. If this be not done, an additional postage of 2d. will be charged.

11. When a newspaper, etc., is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, etc., be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged 2d. In case of any other irregularity, the publication is dealt with in accordance with the regulations of the book post.

12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.

13. Stamped publications can also be forwarded under the regulations of the book post; but when so sent, the impressed stamp does not count as any part of the postage.

Newspapers sent abroad, whether to a British colony or to a foreign country, are liable to the 3d, 5th, 6th, 7th, 8th, and 9th of the foregoing regulations; moreover, the name of the newspaper must have been registered at the General Post Office. Every such newspaper is liable to the postage entered in the Table of Colonial and Foreign Postage (British Postal Guide); and this postage must be prepaid in stamps. As respects newspapers going abroad, the impressed stamp stands for nothing. Publications registered for transmission abroad, although not strictly newspapers, are nevertheless, so far as the British Office is concerned, treated as such.

NEWSPAPERS FOR RUSSIA.

INLAND BOOK POST.

The following are the regulations of the Inland Book Post:

1. The postage is 1d. for every quarter of a pound or fraction of a quarter of a pound.

2. The postage must be prepaid by means of postage stamps affixed outside the packet or its cover. If the whole postage be not thus prepaid, the packet is treated in the manner described in section 9.

3. Every packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being re-For the greater moved for examination. security of its contents, the packet may be tied at the ends with string; but in such case the Postmaster is authorized to cut the string, although, if he do so, he must again

tie up the packet.

4. A book packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass, or in cases containing glass), prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, etc., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints can go, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, etc., or of a portion thereof, is allowed, whether such hinding, etc., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, etc., must not be sent as a separate packet, nor can patterns or books of patterns (unless these consist merely of paper) be permitted.

Entries, however, merely stating and Sample Post :who sends the book, etc., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, writing is not only permitted, but recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned.

6. No book packet must exceed two feet in length, or one foot in width or depth; and if any such packet be presented at a Post Office, it

cannot be received.

7. Any packet which is not open at the ends or sides, or has any letter or communication of the nature of a letter written in it, or upon its cover, is charged with the 'unpaid' letter

3. If a packet be found to contain any letter not wholly printed, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with the full postage as an unpaid letter, together with an additional rate; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.

9. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate, it is forwarded, charged with the deficient book postage, together with an additional rate; but any packet which bears no postage stamp is charged with double the book postage.

10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

It is the duty of postmasters, whenever they have ground for suspecting an infriugement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine book packets posted at or passing through

their offices.

To prevent obstacles to the regular transmission of letters, a head postmaster may, when necessary, delay forwarding any book packet, not a news-paper, for a period not exceeding twenty-four hours beyond the ordinary time; and at packet offices the delay may, at the option of the postmaster, be either for that period, or until the despatch of the mail next after that by which the book packet

ought otherwise to be forwarded.

The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters, Books, therefore, which would be injured by being thrust into a bag, and hurriedly pressed down like a bundle of letters, should not be sent through the post.

COLONIAL AND FOREIGN BOOK POST.

Except that the rates of postage are higher, books can be sent to all British colonies, and to the foreign countries named in the list at page 534, on the same conditions as those of the Inland Book Post; and

INLAND PATTERN AND SAMPLE POST.

The following are the rules of the Inland Pattern

1. The postage is 2d. for every quarter of a pound, or fraction of a quarter of a pound.

2. No packet of patterns or samples must exceed

24 oz. in weight. Any packet above that weight is sent to the Returned Letter Branch.

3. The postage must be prepaid by means of postage stamps.

4. There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles: otherwise the packet is treated as a letter.

5. There must be no enclosure other than the samples themselves. The particulars, which are allowed to be furnished under the preceding rule, must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples or the bags containing them. Any loose enclosure is taken out, and forwarded to the address on the packet, charged with the full postage as an unpaid letter, together with an additional

rate of 1d.

6. The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, etc., may be enclosed in boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened; or in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet is treated as a letter.

7. If a packet of patterns or samples be posted altogether unpaid, it is charged with double the postage which should have been prepaid. If a portion of the postage be prepaid, even although only a 1d. stamp be affixed, the packet is charged with the amount of the deficiency, together with an additional rate

8. In order to prevent any interruption to the regular transmission of letters, a packet of patterns or samples may, when it is necessary, be kept back by any head postmaster for twenty-four hours beyond the time when, in the ordinary course, it would be for-

warded.

9 The rule, which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office, is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted, which is found not to be sufficiently guarded, it is stopped, and a notice of its detention is sent to the person to whom it is addressed, or to the sender, who may then

obtain it upon personal application; but the packet of patterns.

10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

In Spain, as a rule, the circulation is prohibited of all articles which are not either letters or printed papers; but patterns and samples may be sent under the following regulations:—

1. The patterns or samples themselves must be of no intrinsic value whatever.

They must be enclosed in covers open at the ends or sides, or in such other manner as to admit of a thorough inspection.

3. The covers must contain no writing except the usual trade marks and numbers.

4. Packets of patterns and samples thus forwarded will be liable in this country to the same rates of postage as ordinary letters for Spain, viz. 6d. for a packet not exceeding a quarter of an ounce in weight, increasing for heavier weights at the rate of 6d. for each quarter of an ounce; and such postage must in all cases be paid in advance. set, for every £1000, or part of £1000 —3s. 4d. (23 Vict. c. 15.) Note.—The duty on a Foreign Bill, on and after 3d April 1860, drawn or indorsed out of the United Kingdom for the payment of money on demand, is the same duty as on an Inland Bill of Exchange, for the payment of money otherwise than on demand. (23 Vict c. 15.) See above.

The word 'indorsed' is held by the Board of Inland Revenue to have no practicable effect.

See Times, 20th and 22d April 1860. Foreign Bill drawn in but payable out of the United Kingdom on demand, although to be indersed out of the United Kingdom, if not drawn in sets, would be liable to duty of 1d. [The duties on Foreign Bills, drawn out of the

United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp if one not on it before he negotiate it,

and cancel the stamp by writing his name or the name of his firm and the date on it. (17 & 18 Vict. c. 83, § 3.) If the Bill or Note be received by the holder with the adhesive stamp effectually obliterated and purported, and appearing to be duly cancelled, the same, as regards such holder, shall be deemed to be If not cancelled, the holder may do so, as Bills of Lading,.... if he were the person first negotiating the Bill or Note. On his doing so, the Bill or Note shall be duly stamped. The person who ought to have cancelled the stamp not relieved of any penalty incurred by not cancelling the same. (24 & 25 Vict. c. 91, § 33.) The Act 23 Vict. Boxb (personal) given for any certain sum c. 15, § 12, provides that the party paying the bill shall, when he does so, write the word 'paid' upon the stamp. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts,

and the other left legible.]

If a Foreign Bill payable abroad, and as to which the provision 'drawn in sets of three or more apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill; and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue (see North British Daily Mail, 3d November 1854). But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same account; that is, if one of the parts have the full duty, the others may be unstamped (see *Times*, 6th November 1854). The schedule of the Act does not provide for such a bill valorem stamps will cover.

being drawn in sets. Bills bearing to be drawn Personal Bond given as a security for the transout of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom. (17 & 18 Viet. c. 83, § 4.) A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set; and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty, £100. A person taking such bill must get the whole set stamped, otherwise he cannot recover on it or make it available. (Ib. § 6.) This applies only to bills drawn within and payable out of the United Kingdom. Bills payable on demand, and indorsed out of the United Kingdom, wheresoever drawn, are held to be Foreign Bills, but chargeable with the same duty as Inland Bills not payable on

demand. (27 & 28 Vict. c. 56, § 2.)
INLAND BILL, DRAFT, or ORDER, for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer

or order.

INLAND BILL, DRAFT, or ORDER for the payment any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

Promissory Note for the payment of any sum of

money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

If definite and certain sums, and shares of stocks, are settled so as an interest to any extent shall be given, which shall certainly take effect, and not be altogether contingent, these are liable to the ad valorem Settlement Duty. If an annuity is provided to widow or others, such is liable to Bond of Annuity Stamp Duty. Obligations to pay sums to widow, such as for mournings, are liable to advalorem Bond Duty. All settlements of property, or other matters not liable to specific duty, will be covered by one general deed duty, over and above the other duties. An obligation by the husband

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. IIL c. 184, are still in

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for

money, are also receipts.

According to decisions, a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being anything formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are-Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.

Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or

annuity thereby secured.

The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes, or other securities for money, is repealed by 17 & 18 Vict. c. 83, § 13.

Stamps may be impressed or affixed. adhesive stamps are affixed, the granter is required to cancel the stamps by writing, stamping, or impressing in ink, his name or initials on them. INVENTORY DUTY.

I. PERSONAL ESTATE:-

Exhibition of the Inventory, and mode of paying the Duty.

All and every person or persons who, as executor or executors, or otherwise, shall enter upon the possession or management, in whole or in part, of any personal or moveable estate in Scotland of any deceased person, shall, within six months thereafter, exhibit upon oath in the Commissary Court an Inventory, duly stamped, of all the personal or moveable estate and effects of the deceased. The Inventory and testamentary writings left by the deceased, if any, shall be recorded in the books of the said Court. (48 Geo. III. c. 149, § 38.)

Inventories and relative testamentary writings

are to be given up and recorded in, and confirmations granted by, the Commissary Court of the county wherein the deceased died domiciled; and in the case of persons dying domiciled furth of Scotland, or without any fixed or known domicile, having personal property in Scotland, the Commissary Court of Edinburgh. (21 & 22 Vict. c. 56, § 3 and 8.)
Oaths and Affirmations to Inventories of personal

Oaths and Affirmations to Inventories of personal estates, to be given up and recorded in any Commissary Court, may be taken either before the Commissary or his Depute, or the Commissary-Clerk or his Depute, or before any Commissioner appointed by the Commissary, or before any Magistrate or Justice of the Peace within the United Kingdom or the Colonies, or any British Consul. (21 & 22)

Vict. c. 56, § 11.)

If the deceased person died domiciled in Scotland, it shall be competent to include in the Inventory of the personal estate in Scotland, the personal estate in England and Ireland. The personal estate in England and Ireland. estate in England and Ireland shall be separately stated in the Inventory, and the Inventory shall be stamped with a duty corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the Commissary must find it to be in Scotland. A Confirmation, in which shall be included personal estate in England and Ireland, on being produced in the principal Probate Court in England, and the Court of Probate in Dublin, and a copy thereof deposited with the Registrar, together with a copy of the interlocutor of the Commissary finding that the deceased died domiciled in Scotland, is to be returned sealed, and is thereafter to have the same force and effect in England and Ireland, as if Probate or Letters of Administration had been granted by these Courts. Vict. c. 56, § 9, 12, and 13.) (21 & 22

The provisions of the Act are merely permissive to pay Inventory Duty on the whole personal estate in Great Britain and Ireland where the deceased died domiciled in Scotland, and the like provisions as to the payment of Probate and Administration Duty where the deceased died domiciled in England and Ireland. It is therefore still competent to pay Inventory Duty on the estate situated in Scotland, and Probate or Administration Duty in respect of the estate in England and Ireland. In the case of a person dying domiciled furth of the United Kingdom having personal estate situated in Scotland, this mode of paying the duty must be followed, as in that case there is no provision for payment of Stamp Duty, in respect of the personal estate in England or Ireland, on the Inventory, or obtaining confirmation in respect

thereof.

Additional Inventory—Corrective Inventory.

If there be any omission in the Inventory inferring payment of further duty, an additional Inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former Inventory. By 16 & 17 Vict. c. 59, § 8, such additional Inventory shall be chargeable only with such amount of Stamp Duty as, together with the Stamp Duty charged upon the former duly stamped Inventory of the estate and effects of the same deceased person, shall make up the full amount

of Stamp Duty, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former Inventory. If the estate shall be overestimated, or if something shall be improperly included in the Inventory, an Inventory on a stamp corresponding to the ascertained value must be exhibited, and the original Inventory will be allowed on affidavit as a spoiled stamp, within six months after the recording of the second Inventory.

Personal Property disposed of by Will under an absolute power liable to Inventory Duty— Indian Government Promissory Notes, etc, Personal Property in England—British Ships at Sea—Property to be valued at the time the Inventory is sworn to, and the Inventory to include the proceeds accrued on the property down to that time.

Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of Inventory, Probate, or Administration Duty. (23 Vict. c. 15, § 4.) The duties shall be charged on the property in respect of which the same are payable, and shall be paid thereon by the trustees or owners thereof, to the executors, for the benefit of the persons entitled to the personal estate of the deceased. (1b. § 5.) Indian Government Promissory Notes and Certificates issued, or Stock created in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owners; also Indian Government Promissory Notes with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and bona notabilia in England of the deceased (23 Vict. c. 5, § 1): Also any ship, or any share of a ship, belonging to a deceased person, registered at any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to have been at the time aforesaid in the port at which she may be registered (27 & 28 Vict. c. 56), and liable to Inventory, Probate, or Administration Duty. 'The Inventory and additional Inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt to her Majesty by the person making oath to said Inventory and additional Inventory, and his heirs and successors; and if such Inventory and additional Inventory shall not be exhibited and recorded, the Inventory Duty on all the personal or moveable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person, shall be payable and shall be a debt to her Majesty by the person who shall intromit with or enter upon the possession and management of such personal or moveable estate and effects, or any part thereof, and his heirs and successors.' (23 & 24 Vict. c. 80, § 5.)

II. MONEY SECURED ON HERITAGE, ETC.

The Act 23 Vict. c. 15, § 6 (3d April 1860), de-clared that money secured on heritable pro-perty in Scotland, and money secured by Scotch honds in favour of heirs and assignees, excluding executors, should be chargeable with

Inventory, Probate, or Administration Duty. The Act 23 & 24 Vict. c. 80, was passed to regulate the levying and collection of the said duty. Sec. 1 gives a description of the property which shall be liable to Inventory Duty under the Act of 23 Vict. c. 15; and sec. 8 further explains what shall be subject to duty. Sec. 9 of the Act 23 & 24 Vict. c. 80, repeals the Act 23 Vict. c. 15, § 6, in so far as regards Probate and Administration Duty being chargeable in respect of the property, so that now in all circumstances such property is liable to Inventory Duty. Sec. 1 is in these III. GENERAL OBSERVATIONS. terms :-

Description of Property liable to Duty, and Commencement of Duty.

'All money secured on heritable property in Scotland, and all money secured by Scottish bonds and other instruments, excluding executors, and all money secured by Scottish bonds other instruments, the rights to which shall be taken excluding executors, constituting the succession, or part of the succession, of any person who shall have died on or after the 3d day of April in the year 1860, shall be liable to Inventory Duty under the said recited Act.'

There are two modes of paying the duty provided for-23 & 24 Vict. c. 80, § 3, 4:-

Two Modes of Paying the Duty.

 By a 'Special Inventory' of the property, to be lodged with the Solicitor of Inland Revenue at Edinburgh (a form of which, with relative oath, is given in the schedule to the Act), stamped according to the amount of property contained in it. The Inventory Stamp shall be testate or intestate, according as the Stamp on the Inventory of the personal estate shall denote the testate or intestate rate of duty.

2. By adding the amount of the property to the Inventory of the personal estate, and paying Stamp Duty upon the aggregate amount.

This second mode will generally be the most advantageous for the tax-payer; and will be followed when the interest in the heritable and moveable estate is the same, or when the heir and executor can make an arrangement as to the payment of the duty. As to both modes of paying the duty, it is declared that the duty is ultimately to be borne by the parties proportionally according to their interests in the property.

Value to be at the date of the oath to the Inventory, and Inventory to include proceeds to that time.

The 5th section of 23 & 24 Vict. c. 80 provides. that the Inventory Duty shall be payable on the property made liable by the Acts referred to, according to the value of such property at the time the Inventory containing it shall be sworn to, including the proceeds accrued thereon down to that time.

Act retrospective as to time of valuing Personal Estate.

· It will be observed that the Inventory Duty on money secured on heritage, etc., is limited to such property constituting the succession of a person who shall have died on or after the 3d April 1860 (23 & 24 Vict. c. 88, § 1); but the provision for valuing property at the date of the affidavit to the Inventory, and including the proceeds down to that time, is retrospective and universal in its operation, applying to all Inventories sworn to on or after the passing of the Act (6th August 1860), without regard to the date of death.

Modes in which Duty may be paid when de-ceased domiciled in Scotland, and personal property in Scotland, England, and Ireland, and money secured on heritage.

In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also money secured on heritage, etc.:—I. Duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; II. Or Inventory Duty may be paid on the personal property situated in Scotland, and Duty may be paid on a 'Special Inventory' of the money secured on the heritage, etc., and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these several instruments.

Mode in which Duty may be paid when deceased domiciled furth of the United Kingdom.

In the case of a person dying demiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

For Probate and Administration Duty, debts and sums of money due from persons in the United Kingdom to a deceased, on obligation or other specialty, shall be estate and effects of deceased within the jurisdiction of her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

OPINION.

We are of opinion that it is sufficient in the Inventory given up of the estate of a person deceased for confirmation, to set forth the value of the estate as at the date when the Inventory is given up, and that it is not also necessary to set forth the value as at the date of death. We further think, that the statutory form of confirmation contained in Schedule E of the Act 21 & 22 Vict. c. 56, must be modified, in order to be in accordance with the still more recent statute, 23 & 24 Vict. c. 80, by leaving ont the words 'at the time of his death.' REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance:—Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Forfar, Glasgow, Greenock, Inverness, Peebles, Perth,

Stirling, and Tain.

A supply of forms of affidavits is kept by the Solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Monday se'ennight, and within six weeks from the date of the ticket. If not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. stamps belong to persons beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill be produced, in all respects the same excepting the correction of the error. As to the exchange of sea policies of insurance,

see 54 Geo. III. c. 133.

Unsigned instruments are allowed if inadvert-ently spoiled. Signed, if void in law from the beginning: from error or mistake, unfit for the purpose originally intended; from death, or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance they shall be unfit for, or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped. (See 53 Geo. III. c. 108.) In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The Commissioners, by 3 & 4 Will. IV. c. 97, § 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorized to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the percentage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty or deficiency of duty shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of five per cent, from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inndvertency, or urgent necessity, and without any

wilful design to evade or delay the payment of duty. (13 & 14 Vict. c. 97, § 12.)

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners. (13 & 14 Vict. c. 97, § 13.)

Adhesive Stamps.—Where adhesive stamps may

be affixed to any instrument, an officer of Inland Revenue, authorized by the Commissioners, may, on the instrument being produced to hir, affix and cancel the adhesive stamp. The instrument shall thereupon be deemed sufficiently stamped. But this not to apply to instruments not allowed to be stamped after being made, signed, or issued, nor to instruments after the expiration of the period limited for stamping them. The penalty required to be paid on stamping of the instrument is not affected by this provision. (24 & 25 Vict. c. 91, \$32.)

91, § 32.)

N.B.—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, to be stamped, if within two months of the first date (the Solicitor may, in certain circumstances, receive them within two months of the last date), on payment of the duty if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a schedule; and after being filled up, it is to be presented, along with the instrument, at the Solicitor's Office, No. 5 Inland Revenue, between 10 and 12 o'clock on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the Solicitor's Office; and afterwards he pays it, and the penalty, if any, to the cashier, No. 3 Lobby. As to stamping agreements and charter-parties (which are received at the Cashier's Office, No. 3 Lobby, between 10 and 1 o'clock from Monday to Friday, and on Saturdays between 10 and 12), see Notes under these heads.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh), and a fee The duty or insufficient duty of 10s. paid. which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid; and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence, notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor to instruments after being signed, prohibited from being stamped. On the stamp duties assessed being paid, and 40s. for costs being deposited, the opinion of the Commissioners may be appealed against to the Court of Exchequer in Scotland, if the deed has been presented for the opinion of the Commissioners at their office in Edinburgh; to the Court of Exchequer at Westminster, if the deed has been presented at London; to the Court of Exchequer in Ireland, if the deed has been presented in Dublin. (13 & 14 Vict. c. 97, § 14 & 15; 28 & 29 Vict. c. 96, § 22.) The Commissioners may also adjudge on deeds not liable to any stamp duty; and if any duty is assessed, the party may appeal. (16 & 17 Vict. c. 59, § 13.)

N.B.—Instruments are received for adjudication at the Solicitor's Office, Inland Kevenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely (see above). The mode of proceeding is as follows:—The snm of ten shillings for the adjudication stamp is first to be paid to the Cashier, No. 3 Lobby. Then the schedule (the duty to be impressed of course not being inserted in the schedule), the instrument after execution, and a copy (written on foolscap paper) of it (omitting the bounding description of lands, etc., and having appended to it a table giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page of the copy on which each commences), are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10 and 12 o'clock only. Between 10 and 12 o'clock on the Thursday following, a party who can give explanation must call on the chief clerk of the Solicitor's Department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the Cashier, No. 3 Lobby.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5, Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a week to the Head Office. The principal instrument, as well as the duplicate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

Mem.—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

THE LEADING FEATURE

Of the Society is its Mutual Principle, which Secures to the Policyholders the Division of the whole Profits among themselves, without any deduction for Dividends to Shareholders, as in Life Assurance Companies of the Proprietary class. This single circumstance retains for the Policyholders an Annual Sum equivalent to a substantial Bonus, which would otherwise BE LOST TO THEM.

THE ADVANTAGES OFFERED, AS COMPARED WITH OTHER OFFICES, ARE-

IMMEDIATELY, a greatly Larger original Assurance for the same Premium, and

EVENTUALLY, to Good Lives, as large Additions as where the ordinary high Rate of Premium

For the same yearly sum as large an Assurance may generally be secured from the first, as can be looked for elsewhere only after many years' accumulation of Bonuses. Thus, a Policy for £1200 or

£1250 may be had for the Premium usually charged to assure £1000 only.

In addition to this immediate advantage, the whole profits are secured to the Policyholders themselves, and the principle on which they are divided will commend itself as not only safe and equitable, but as the most satisfactory method on which the profits arising from moderate Premiums could be allotted. Instead of being given among all Policies indiscriminately—including those which have subsisted only a few years, and on which there may eventually be a heavy loss to the common fund—they are reserved for those members who alone can have made surplus payments; in other words, for those whose Premiums, with secondardal interest, amount to the sums in their Policies. those whose Premiums, with accumulated interest, amount to the sums in their Policies.

Policies originally for £1000, which have shared at three Septennial Divisions, have thus already

been increased to £1400, £1600, and even to £1800.

Examples of Premium for Assurance of £100 at Death (with Profits).

Thus a person of 30 may secure £1000 at death, with Profits, for a yearly premium of £20, 15s., which in the other Scottish Mutual Offices would assure £800 only.

Or, if unwilling to burden himself with payments during the whole of his life, he may secure a policy for £1000, with prospect of additions from the Profits, for a Premium of £27, 13s. 4d., limited to twenty-one payments, being nearly the same as most Offices require during the whole term of life. To Professional Men and others whose income is dependent on the continuance of health and activity, this mode of Assurance is specially recommended.

Tables of Premiums, to cease after 7, 14, or other number of years, may be had.

Above 16,000 Policies issued. Subsisting Assurances upwards of Five and a half Millions, Annual Revenue, £205,000. Accumulated Fund, arising entirely from Premiums, above £1,240,000, all invested in unexceptionable securities in this country.

THE STANDARD LIFE ASSURANCE COMPANY.

THIS COMPANY was established at Edinburgh in 1825. The Acts of Parliament 2d and 3d Gul. IV., cap. 81, and 8th and 9th Vict., cap. 75, also the 22d and 23d Vict., cap. 27, have been granted for the purpose of its constitution and for the regulation of its affairs. It has been conducted with much success, which may be attributed not only to its extensive and influential connections, but more particularly to the liberality of its dealings, and to the constant attention paid by the Directors to the adoption of improvements and facilities in connection with the contract of Life Assurance. The Amount of New Assurances effected during the Quinquennial Period from 1860 to 1865 was upwards of Three Millions Eight HUNDRED THOUSAND POUNDS Sterling, and the TOTAL SUMS ASSURED now amount to upwards of Fifteen Millions Sterling. The Company's Income, which is rapidly increasing, is upwards of Six Hundred and Sixty Thousand Pounds Sterling per Annum. The Accumulated FUND, which is upwards of THREE MILLIONS SIX HUNDRED THOUSAND POUNDS Sterling, is invested in Government Securities; Loans on the Security of Land, by Bond and Mortgage; Landed Property; Advances to the Company's Policyholders, and other undoubted These Investments were specially investigated, on occasion of the Division of Profits in 1865, by a Committee of Professional Gentlemen appointed for the purpose, whose report, which was entirely favourable, will be found in the Company's Prospectus. The Company's Profits have been divided on Seven occasions—1835, 1840, 1845, 1850, 1855, 1860, and 1865. The next Division will take place in 1870, and at intervals of Five Years thereafter.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits are allocated every Three Years amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

LIFE DEPARTMENT.

Upwards of 7000 Policies have been issued by this Department, representing Assurances of more than

THREE MILLIONS AND A QUARTER.

SPECIAL BONUS NOTICE.

No part of future profit has been anticipated, and New Entrants are at once placed on the best footing in assuring with this Company. INCREASED BONUSES HAVE BEEN DECLARED AT EVERY SUCCESSIVE INVESTIGATION, FORMING A CONCLUSIVE TESTIMONY TO THE SUCCESS OF THE COMPANY, AND A MARKED DIFFERENCE FROM THE EXPERIENCE OF OTHER OFFICES.

A larger share of the Profit Fund falls to the lot of Assurers 'with Profits' than is usual in Mutual Societies, owing to the expenses of management being divided between the Fire and Life Departments, and the Profits of the Non-participating Branch being thrown into the General Life Fund.

Table I. (see Prospectus) has been prepared to suit the case of those who desire to secure a certain sum to their representatives at the smallest annual expense. Under this Table, at age 30, £1244, 9s. 9d. may be secured for the same premium as that charged by the Mutual Offices for £1000 only, or in other words, an immediate Bonus of about 25 per cent. on the sum assured may be obtained.

FIRE DEPARTMENT.

Nearly all classes of risk are insured by the Company, and at rates as low as are consistent with safety. Claims are adjusted with liberality, and settled with promptitude. Losses by gas explosions, in property insured by the Company, admitted, and property burnt by lightning paid for. All the advantages of the reduced duty given.

THIS OFFICE being purely MUTUAL, the WHOLE PROFITS BELONG TO THE ASSURED. The Society has endeavoured to place its Rates and Rules on the most equitable and liberal footing; and its affairs are administered by Directors whose interests are identical with those of the Assured.

IMPORTANT RESOLUTIONS have been adopted, relieving the Policies of many usual restrictions; and the Assured are now entitled, after Five Years' continuous residence in this country, to travel and reside in any part of the world without payment of extra premium.

The additional Rates charged by the Society for Terminating Premiums are very moderate, and those of some other Offices are from fifty to upwards of one hundred per cent. more.

Particular Attention is invited to the Special Pamphlet, explaining the system of Minimum PREMIUMS introduced by the Society, under which it is believed that Assurances can be effected more economically than in other Offices; and the combination of this system with the moderate additional Rates charged for Terminating Premiums affords peculiar facilities for those desirous of being relieved of payment of Premiums as they advance in life.

REDUCED RATES FOR THE EAST AND WEST INDIES, AND CHINA.

THE Directors have adopted a new Scale of Rates for the East and West Indies, and China, considerably lower than those formerly charged by this, or, they believe, any other Company; but differing from the old system, in respect that no reduction takes place on the assured returning to Europe, or proceeding to any other part of the world not chargeable with an extra premium.

According to this method, the Assured, instead of being subjected to a heavy Extra Premium during the years of residence in the Tropics, has the option, by paying a fixed

rate, of throwing the Extra over the whole currency of the Assurance.

ANNUITIES ARE SOLD ON VERY FAVOURABLE TERMS.

Premiums may be paid Yearly, Half-Yearly, or Quarterly, for a limited number of Years only, or by a Single Payment. No Entry Money or Stamp Duty charged.

BY THE PECULIARLY EQUITABLE MANNER OF DIVIDING THE PROFITS, the Policies issued by this Association become payable during the lifetime of the person assured without extra Premium. This is accomplished by appropriating to the extinction of the last payments of Premiums those profits which are generally applied by way of Bonus. INDISPUTABLE WHOLE WORLD ASSURANCES, permitting unrestricted Whole

World travel and residence, are granted on one payment of 10s. per cent. on the sum assured, provided the assured life shall not be under twenty-five years of age, and shall not be in the Army or Naval Employment; and shall also satisfy the Directors that he has no present intention of going beyond the prescribed limits.

The rapid accession of the Company's New Business, during the past ten years, will be readily seen from the following table, divided into quinquennial periods.

Quinquennial	No. of	Amount	No. of	Amount	Amount of

THE COMPANY was established in the year 1837, for the transaction of all varieties of Life and Fire Assurance Business. Its subscribed Capital is £1,000,000 sterling, held in Ten Thousand Shares by a numerous and wealthy Proprietary widely scattered throughout England and Scotland.

THE COMPANY has obtained two special Acts of Parliament, conferring on it various powers and privileges; and is one of those approved of by the Postmaster-General for the Assurance of the Lives of the Post-Office Officials.

Lives of the Post-Omce Ometals.

THE RAPID PROGRESS of the Company is seen in the fact that the New Life Business of the last quinquennial period, which closed on the 31st of December 1862, was 148 per cent. more than that of the preceding similar term; while the Fire Premiums were 185 per cent. more.

THE BUSINESS of the Company, both Life and Fire, is largely increasing year by year.

THE NEW LIFE BUSINESS of the last Three Years is as follows:

In 1864, Sum Assured, £184,480, New Premiums, £5248

In 1865, "191,365, "5715

LD 1866, "280,000, "7000

In 1866, 230,000,

ALL CLAIMS are settled with liberality and the utmost promptitude, in order that the full benefit of the assistance and relief which Assurance is designed to afford should be secured to Assurers or their representatives.

THE LARGE CAPITAL of the Company, the whole of which is available to meet Claims, and the Reserve Fund in hand, are guarantees of perfect security to Policyholders, who are in no way involved in the mutual liabilities of Partnership.

A CASH BONUS of 22 PER CENT., equivalent to a Reversionary Bonus of from 30 to 60 PER

CENT., according to the age of the Assured, was declared at the last Division of Profits.

THE PREMIUMS charged by this Company will contrast favourably with those of other Offices.

LOANS from £50 to £1000 are granted by the Company on Personal Security, and the assignation of a Life Policy to be effected with the Company.

POLICIES issued on the CREDIT SYSTEM, in the case of Assurances for the whole of Life Policy and Assurances are the last property of Life Policy to the Company.

CHIEF OFFICE FOR SCOTLAND-31 Princes Street, Edinburgh,

TWO-FIFTHS OF THE PROFITS are periodically Distributed among Parties Insuring in the Society. A BONUS of NEARLY FIFTY PER CENT. upon Current Premiums was paid to the Policyholders on the last occasion.

THE RATES OF PREMIUM being in no case higher than those charged by the other principal Companies, the advantage secured by the Insured in this Office is obvious.

FIRE INSURANCES were effected by the Norwich Union during the last year to the Amount of

SEVENTY-SEVEN MILLIONS:

And the DUTY PAID TO GOVERNMENT, at the reduced rate, for the same period, exceeded

SIXTY-ONE THOUSAND POUNDS;

While the Sum Insured on FARMING STOCK was upwards of

MILLIONS,

Being by far the largest amount of business transacted on this class of Risks by any existing Office.

CHIEF OFFICE FOR SCOTLAND-31 Princes Street, Edinburgh.

The Capital of this Society amounts to nearly

£2,400,000,

Which belongs to its Members, and has been created by the steady accumulation of the Premiums.

The result of the successful operations of the Society, during the Fifty-eight years of its existence, is best exhibited by the following:

Amount of Assurances accepted, and Bonuses declared thereon, exceed £12,636,000 7,023,260 Amount paid to the Representatives of 8334 deceased Members, Amount assigned by way of Bonus, 1,622,019 36,500 Number of Policies Issued.

All Claims on the Society are most liberally and promptly met.

The Rates of Premium are lower than those of some Offices by nearly 10 per cent.—
a benefit in itself equivalent to an Annual Bonus; while the large amount of profits divided amongst the Policyholders reduces still further the outlay required to effect an Insurance.

DEPOSITS AND DEBENTURES.

THE ASSOCIATION receives Money on Deposit or Debenture Bond, at Rates varying from 4 to 5 per cent., according to the market value of money at the time. If preferred, a uniform Rate of Interest will be given on Deposits for fixed periods of from one to five years, on terms to be arranged. The Debenture Bonds will be granted for three, five, or seven years.

SAFETY OF DEPOSITS AND DEBENTURES.

The Association lends its Funds on Heritable Property only, and at rates corresponding to the market value of money. All the Loans are repayable by instalments, which adds greatly to their safety, any depreciation which might take place in the value of the security being more than met by the gradual diminution of the Loan. The risk arising from the Investments of the Company is thus small, and they are enabled to give comparatively high rates for Deposits. In addition to the fact that the Loans are all secured on Heritable Property only, Depositors have the farther guarantee of the Company's large subscribed Capital.

LOANS.

Loans are granted on Security of Land, Houses, and every description of Heritable Property.

The Loans are repayable in periods of from four to sixteen years. If desired, part only may be made repayable by instalments—the remainder bearing interest, payable half-yearly.

Borrowers can pay off their Loans at any time, either in whole or in part; or the period of repayment can be altered to one more suitable.

THE FIFTY-SHILLING WATCH.-JAMES AITCHISON begs again to Caution Purchasers from being misled by the announcements of unscrupulous advertisers who profess to Sell this Watch. As JAMES AITCHISON has no Agents whatever, no Watch of the same manufacture as his FIFTY-SHILLING WATCH can be had in the Kingdom except from himself; and advertisers who, for purposes which are very apparent, do not scruple to use a title which he alone has regularly advertised for many years, and offer a Watch for Fifty Shillings or less, can only supply an article inferior in every respect to AITCHISON'S FIFTY-SHILLING WATCH. This watch could not be Sold at so low a Price, but that its Sale has been made a leading feature in his business, and he is thus able to manufacture large numbers of the same class at once.

THE WHEELER AND WILSON.

T is impossible to convey by language a tithe of the merits belonging to this deservedly popular Machine. To see it perform the different operations, such as Hemming, Felling, Gathering, Embroidering, working Button-Holes, etc., it seems more like a thing of life than a machine moved by the will of the operator. It has adjustable ganges for every description of work, and can be changed in a moment to suit any material, coarse or fine. It makes six different stitches with as much ease as other machines make one. It embroiders in beautiful designs with coloured silks, and makes its own braid as it sews, taking the thread direct from the spool without re-winding. It is the only machine in the world that can work Button-Holes and Stitch, or that can be adjusted to every description of sewing for family use. It is furnished with 'Doty's' Self-Sewer, by which a blind person can sew accurately, and can also be used to great advantage in rooms where the light is obscured. It is the only machine authorized to

use the Crystal Presser, by which every stitch can be seen as it passes from the needle.

For many years Wheeler and Wilson have been awarded the highest premiums, and have now obtained 58 First-class Medals. More than 250,000 are in daily use throughout

the world.

SPECIAL ANNOUNCEMENT.

I beg most respectfully to request your attention to the Opening of those Spacious and Commodious Premises, No. 101, PRINCES STREET, EDINBURGH, as the NORTH BRITISH MAGASIN, which is established to supply every article Manufactured by the

NORTH BRITISH RUBBER AND SCOTTISH VULCANITE COMPANIES:

Also Boots, Shoes, Slippers, etc. etc. (Ordinary Leather), of Edinburgh, London, and Paris Make, for Ladies, Gentlemen, Youths, and Children.

THE STOCK OF

THE NORTH BRITISH MAGASIN, No. 101,

which is very large and comprehensive, will enable Purchasers at once to suit themselves as to Taste and Fit with Articles in the several Departments, free from the numerous and recognised drawbacks attendant on the to-order system. It has been most carefully selected, and manufactured expressly for a First-Class Trade; is warranted, in Quality of Material and Work, most novel in Style and Fashion, and Marked in Plain Figures at lowest possible Ready-Money Prices. These are not quoted, as they cannot possibly give any idea of Value apart from comparison of the Goods themselves: and moreover, my intention is, that the North British Magasin, No. 101, shall become widely known, more by the Character of Goods, combined with Real Cheapness, than by merely low quotations. I shall give the utmost possible attention to the wishes of my Patrons, and therefore venture to solicit your support and confidence. My long and intimate knowledge of the Boot and Shoe Trade, together with the high character which the Manufactures of the North British Rubber and Scottish Vulcanite Companies have so justly acquired, and continue to maintain throughout the World, justify me in offering the Best Value on the Best Terms, in these respective departments, that can be found in any City in the Kingdom. A List of various Articles in the several departments shall be gladly shown to persons calling at the North British Magasin, No. 101, whether with the immediate intention of purchasing or not. And as the purposes to which India Rubber is now applicable are daily being multiplied, every such new adaptation will be shown as soon as produced. A call is solicited by yours respectfully,

JOHN ANDERSON.

The North British Magasin

The North British Magasin.

The large Trade that I have done since opening, in the India Rubber and Vulcanite Departments, seems to have given rise to an impression that the Boots and Shoes are also India Rubber or Gutta Percha. This is not so. While attending to the Overshoe Trade—
'NORTH BRITISH RUBBER COMPANY'S Make'—I beg to say, for Public Information, that the Boot and Shoe Department is wholly of Leather, the usual Sterling Qualities I have furnished for a Period of Fifteen Years.

IMPROVED KIND OF

WIRE RABBIT NETTING FENCES.

The above engraving is a representation of W. Bain & Co.'s Double Stranded While Netting.

The improvement, which they invented in 1860, and are carrying out, consists of interweaving horizontally in the web twisted Strands, not exceeding from 9 to 12 inches apart, one of which is shown in the engraving at SS; and the advantages of which have now become so obvious, that they require no explanation.

For the introduction of these Strands W. B. & Co. make no extra charge.

CAMPBELL'S

INDIAN SPICED MALT VINEGAR.

HIS carefully prepared VINEGAR is much esteemed as a table relish. With Hash, Cold Meat, and with Fish, it is generally preferred to the more expensive Sauces in use, on account of its lightness, delicacy of flavour, and efficiency as an aid to digestion. It forms a piquant flavouring for Soups, Gravies, etc., and is suitable for all purposes for which common vinegar is used. It requires no preparation or additional spices for pickling.

In reviewing an article on Salads in Blackwood's Magazine, and Lady Harriet St. Clair's 'Dainty Dishes,' the Daily Review of October 8, 1866, makes the following allusion to CAMPBELL'S INDIAN VINEGAR:—

'There is another ingredient, too, which both the writer before us and Lady Harriet St. Clair should remember. Blackwood gives his readers a choice between common vinegar and tarragon; and Lady Harriet has several descriptions of vinegar, the preparation of which alone would be found a serious obstacle. All these preparations have been rendered unnecessary by the vinegar invented and prepared by Mr. Campbell, "CAMPBELL'S INDIAN SPICED VINEGAR," which is at once as aromatic as tarragon, and not merely as economical, but as handy to use as the common vinegar, and more generally applicable than either—the poor man's sauce and the rich man's luxury.'

Pickles of rare quality in colour, purity, and flavour, are made with Campbell's Indian Vinegar. Printed Directions may be had through any respectable Grocer.

The advantages of LIFE INSURANCE in making immediate provision for a family or dependant in case of death; in preparing for various contingencies in connection with money transactions or property matters; or in the ready means it affords of providing for old age, are now universally admitted, and all classes sanction its use by their example. The Directors, in submitting the Claims of this Company for support, would state that in the Policies issued by them there is:

1.—No liability of Partnership entailed.

2.—A Contract that will be faithfully met—the whole Proprietary being liable to make it good.

3.—A simple Document of its kind, free from dubious clauses.

4.—A stipulation to pay the sum assured one month after the proof of claim is admitted.

The Life Funds are kept in every way distinct from those of the Fire Branch, and the expenses of management being apportioned so that the Life Department has only a fair share of them, there is a certainty that the Participating Policies will receive valuable additions from time to time.

found moderate and equitable.

THE PAYMENTS may be made Annually, Half-Yearly, or Quarterly.

SHORT PERIOD Insurances can be effected on satisfactory terms.
